

Sunnyside Ventures, LLC

Position Announcement

Manager – Vegetable Production and Markets

Sunnyside Ventures, LLC, the new owner of Sunnyside Farm – a diversified and certified organic fruit and vegetable farm in Rappahannock County, VA – is seeking a qualified individual for the position of Manager of Vegetable Production and Markets. The Manager of Vegetable Production and Markets will create and implement annual vegetable production plans; oversee many aspects of production and harvest; and will be responsible for managing market stalls at a small number of regional farmers markets. Competitive salary, on-farm housing, and health benefits. To obtain a full job description, please contact Shane J. LaBrake at (301) 203-8954, or e-mail: sjlabrake@verizon.net.
